Institutional Milestones

2010

College commenced operations with an initial student strength of 300 across five branches (Civil, Mechanical, EEE, ECE, CSE).

Subsequent Years

Increased intake to 420 students and introduced M.E. courses.

Due to reduced demand for certain core engineering branches, closed admissions in Civil Engineering and Electronics and Communication Engineering.

Launched B.Tech in Agricultural Engineering and B.E. in Biomedical Engineering.

Mechanical Engineering and Electrical and Electronics Engineering intakes were reduced to 30 seats each, and B.Tech programs in Artificial Intelligence and Data Science and Information Technology were introduced.

2025

Received first-cycle NAAC accreditation and granted Autonomous Status by UGC and Anna University for 10 years (2025–2026 to 2034–2035).
